AT A GLANCE

How your hair *grows*

Growth is slow and uneven at first. The crown grows more slowly than the hairline. Figures are from our clinic protocol.

MONTH 1

Shedding may be under way. New hair grows from month 3.

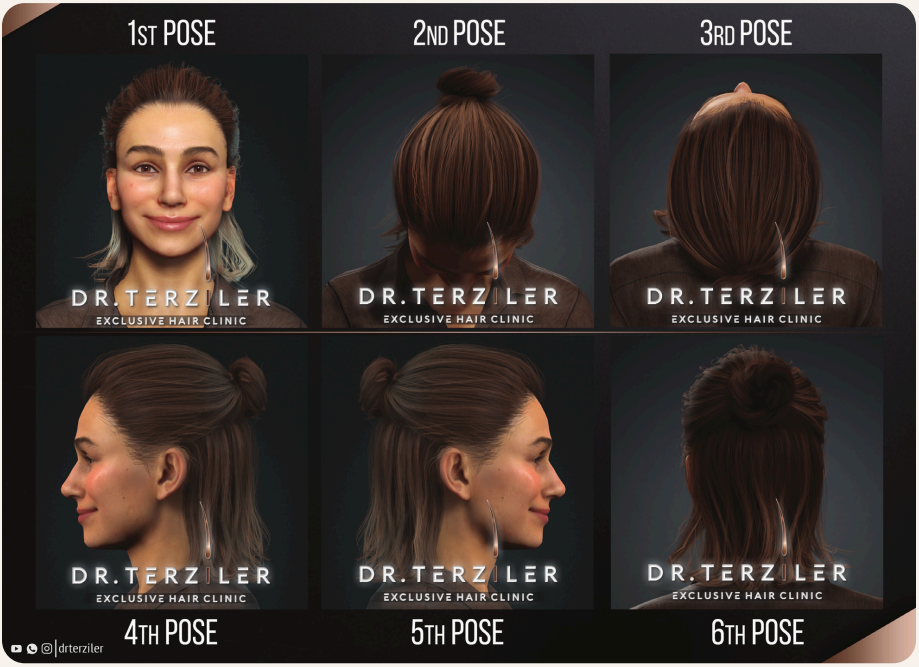

MONTH 12 TO 18

Front: about 70–80% at month 12. Full result up to 12 months at the front and 18 at the crown.
